TUTIS®

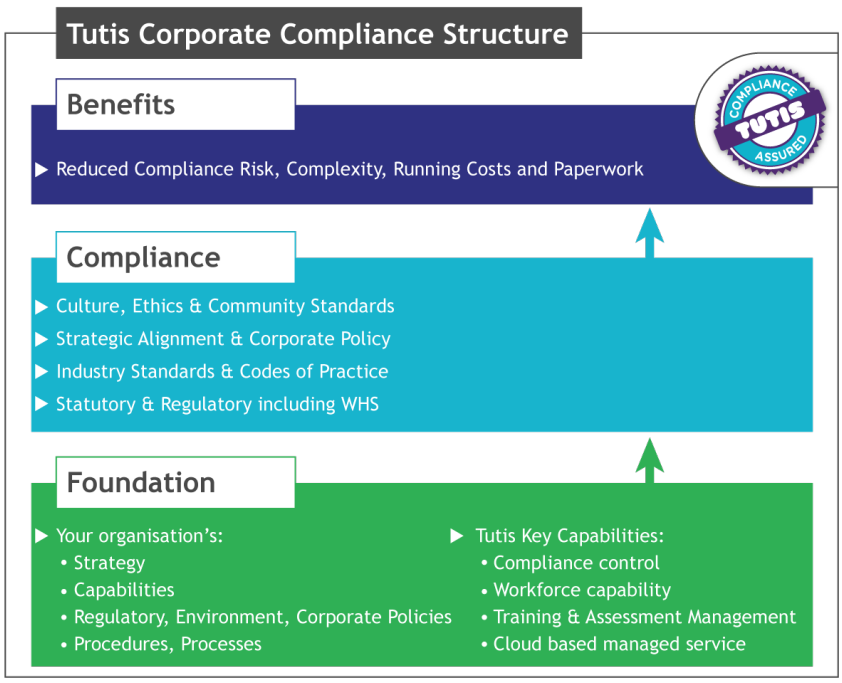
COMPLIANCE SOLUTIONS

Take the complexity and risk out of compliance management

Tutis is the Latin word for safe, secure, protected, assured; the Tutis team is passionate about delivering compliance assured in the areas of workforce capability and skills.

The Tutis compliance management solutions were created by a dedicated team with an extensive background in workforce capability, skillset management, training and assessment management, workforce on-boarding, elearning, records management and compliance systems in general. This experience has been gained across a several industries including mining, process, security, retail and training providers (RTOs).

Tutis is a cloud based, managed solution that takes the complexity and risk out of compliance management.



The purpose of the Tutis solution is to deliver compliance assured; we would love to help your organisation achieve this.

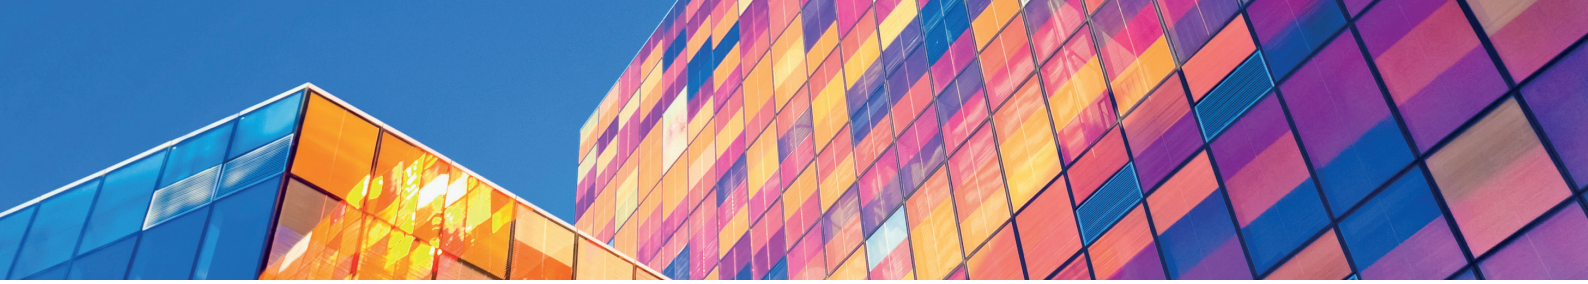
Solutions

TUTIS_Enterprise solution is a holistic compliance solution across all business functions. There are some specialist industry specific capabilities available, providing industry specific functionality.

TUTIS_Train solution is a holistic compliance solution with built-in compliance, for private training providers, such as RTOs & PTEs. It provides compliance processes across all training, assessment and reporting activities.

Managed Service

Have ultimate peace of mind by having the experts run the compliance processes. The Tutis managed service helps take the hard work out of managing the operational side of compliance. Our team are experienced in managing all administrative aspects of compliance and training. Purchase your Tutis solution as a managed service and achieve total compliance assured.



Benefit Pillars

1. Managed Compliance Risk

Improved **compliance** across:

- Statutory & Regulatory requirements including WHS/OHS
- Industry Standards and Codes of Practice
- Corporate Strategic Alignment and Corporate Policy
- Cultural, Ethical and Community Standards (reputational risk)
- Audit readiness and **transparency**

2. Reduced Complexity

- Easy-to-use functions and **automated** processes
- Training, competency assessment and authorisation activities automatically **tracked** and accessible

3. Optimised Running Costs

- Improved training effectiveness
- Increased workforce agility and **productivity**

4. Delivered Paperless

- Reduced paperwork or, if desired, **paperless**

A Tutis Compliance Software solution will keep your organisation in compliance and running smoothly, effectively and safely.
